Upholstery Cleaning

From microfiber to cotton or linen, we carefully clean the dirtiest or most valuable piece of upholstery to revive and restore the beauty of your furniture.

Area Rug Cleaning

We are certified in Persian/Oriental area rug cleaning. We can safely clean your hand-woven or machine-made area rugs in your home or at our rug plant.

Carpet Cleaning

As a certified carpet cleaning specialist, we use environmentally safe cleaning agents to protect your family and pets. Your carpets will be fresh, clean, and residue-free.

Carpet Repairs

From carpet stretching to patching to threshold/ transition installation & repair, our extensive experience in carpet repair can save your carpet from replacement.

Specialty Stain Removal

We can remove the most difficult stains. Rust, wine, Kool-Aid, coffee, urine stains and even bleach spots.
